

PIE SUPPORT DOCUMENTS

“What is Your PIE-Q?” is a survey that provides the users with insight into their instructors’ teaching styles and effectiveness. Such insight can be used as a guide to establishing or improving their faculty development programs. (Click here.)

The PIE Master Chart/Flow Diagram provides an overview of the PARTS, ITEMS and ELEMENTS that form the core structure of PIE. (Click here.)

The PIE Product Points detail the features and benefits of the program along with many best practice concepts for effective faculty development programs. (Click here.)

Each PIE CD has the following support documents in the Resource Guide. All documents are specific to the topic presented and can be printed as needed.

- Presenter’s Guide
- User’s Guide
- Ice Breakers
- Session Highlights Handout for Participants
- Case Studies
- Pre-Session Evaluation
- Post-Session Evaluation

- Certificate of Completion for Participants

The following documents are available from Training Masters **TO PIE CLIENTS ONLY. Contact us for details.**

- Master PIE Document:
 - Identifies those aspects of instruction that promote effective student learning
 - Emphasizes what instructors should know and be able to do in order to be dynamic instructional leaders of adult students
 - Serves as a tool to aid in the preparation, professional development and evaluation of instructors
 - Identifies what is expected of instructors as they plan, prepare, deliver and evaluate instruction
 - Guides the entire instructional process toward the ultimate goals of successful student graduation, job placement and long-term career success
